

# CAMBRIDGE UNIVERSITY COMBINED BOAT CLUBS

Captains' Meeting, Chadwick Room, Selwyn College

4pm on Sunday, 6<sup>th</sup> June, 2010

## MINUTES

**Present:** Julian Granger-Bevan (**JGB**, chair), Chris Kerr (**CK**, minutes), Giles Moon (**GM**), Dan Wilkins (**DW**), College Captains

**JGB** opened the meeting.

1. **Apologies** for absence had been received from: *Holly Hedgeland, Clare, LMBC women, Girton women, Robinson women, Churchill women, Peterhouse men.*
2. The **minutes of the previous meeting** of 19<sup>th</sup> April, 2010 were approved.
3. There were no **matters arising** from the previous minutes.

#### 4. **Clare Novice Regatta**

Clare BC announced that they would be creating a 'Grad' division at CNR for those who learnt to row over the summer and requested comments in e-mail form from captains.

#### 5. **May Bumps**

Captains were told to remind their crews not to leave litter, to marshal on time and that swapping stroke and cox while rowing back after the races is discouraged.

## 6. Proposed changes to evening hours

**LMBC** proposed that the current evening hours be amalgamated into a single 2½ hour slot open to both men's and women's crews, taking effect from April 2011.

- This would increase the probability for top men's crews to be held up by slow moving women's crews – however, crews doing exercises or otherwise not rowing all eight already cause some obstruction, and novice town crews more so.
- There was a proposal to amend the motion so that only first boats would be eligible to go out in the restricted evening period, but an overwhelming majority voted against the amendment.
- On the original motion the votes were **27 for, 15 against** so the motion carried.

## 7. AOB

- **DW** reminded captains of the procedures for handing over CUCBC accounts to their successors and that they would need to update their online club information accordingly.
- **GM** announced that the election of the CUBC Hon Sec would take place by e-mail.

**JGB** closed the meeting.
