College Captains

- 1) Apologies for absence were received from Peterhouse Women and from Girton.
- 2) Minutes of the last meeting were approved without objection.
- 3) IMT highlighted the recent problems concerning early morning noise. This perennial issue is coming to a head and if noise continues at unsociable hours, even below the railway bridge, we face losing early mornings altogether.
- 4) DEW gave a short briefing on the Lent bumps, including forecast bad weather, the necessity to limit bank parties and a reminder to remain polite at all times, particularly when interacting with members of the public.
- 5) Any other business:
 - i) EFG issued a reminder about small boats regatta, which takes place before the start of the Easter Term.
 - ii) St. Edmund's men asked if votes by email would be considered with respect to the early morning proposal, to be discussed at the Captains' meeting at the start of the Easter Term. The response was in the affirmative, as long as they are received a minimum of 24 hours in advance.
 - iii) WJR reminded clubs whose captaincy changes at Easter to pass on appropriate information regarding webmail passwords *etc.*
